Nature has no outline, but imagination has.
Nature has no tune, but imagination has.
Nature has no supernatural, and dissolves.
Imagination is eternity.
(William Blake)

Towards die many times before their death;
The valiant never taste of death but once.
Of all the wonders that I yet have heard,
It seems to me the most strange that men should fear.
Seeing that death, a necessary end,
Will come, when it will come.
(Shakespeare)

No institution inspired by fear can further life. Hope not fear, is the creative principle in human affairs. All that has made men great has sprung from the attempt to secure what is good, not from the struggle to avert what is thought evil. It is because modern education is so seldom inspired by a great hope that it so seldom achieves a great result. The wish to preserve the past rather than the hope of creating the future dominates the minds of those who control the teaching of the young. Education should not aim at a passive awareness of dead facts but at an activity directed towards the world that our efforts are to create. It should be inspired, not by a regretful hankering after the extinct beauties of Greece and the Renaissance but by a shining vision of the society that is to be, of the triumphs that thought will achieve in the time to come, and of the ever widening horizon of man's survey over the universe. Those who are taught in this spirit will be filled with life and hope and joy, able to bear their part in bringing to mankind a future less sombre than the past with faith in the glory that human effort can create.
(“Essay on Education” by Bertrand Russell)

Stay at the
GROSVENOR
W. A. Vancouver B.C.

The great lounge, the open fireplace, the writing rooms are very homelike and combined with good sleeping rooms and a popular dining room, makes your stay in Vancouver a very happy one.

May 2nd, at 3 o'clock, when Rev. H. L. Gordon united in marriage Loretta, daughter of Mr and Mrs A. G. McMahon, and Ernest M. Scott.

The bride looked charming dressed in white satin and a veil, and she carried a bouquet of pink roses. She entered the church with her father to the strains of Lohengrin's wedding March, played by Miss Katherine Moe. Her only attendant was her sister-in-law who was dressed in rose silk organdie and carried carnations. The bridegroom was supported by Mr Allan MacLean of Langdon.

After the ceremony a reception was held at the bride's home in Calgary. The guests were Mrs. S. Scott, Glen McMahon, Rev. and Mrs. H. L. Gordon, Miss Katherine Moe, Mrs. A. McNeil, Miss Audrey McNeil, Mrs. A. MacLean, Mr and Mrs M. Drake, of Langdon, Mr and Mrs R. Little of Nainok, Calgary guests were Mr and Mrs W. McMahon, Mr and Mrs E. Davidson, Miss Betty Orr, Mrs. F. Steele, Mr and Mrs Scott will make their home in the Botsford apartments in Langdon.

CHEADLE

A very interesting debate was held in the Cheadle School last Thursday evening. The topic was Railroads vs. Trucks, and those taking part were Miss Dorothy Kruger and Mr. Harry Kinton, supporting the affirmative while Misses Violet Hartel and Jeanette Cramer argued for the negative. Although it was very difficult for the judges to decide they at last concluded that the negative debaters were the winners. Judges were Mr. R. Wade and Misses Lydia McLean and Mary Skeene. A very delightful lunch was served.

Miss Kay Elliott was a visitor at the Keer home for the last few days.

Mrs. W. Keer returned from the court house, April 25th after spending two weeks there.

Miss Muriel Hartell spent Sunday last at home while Miss Barbara Vidal who accompanied her spent the day at Keer's.

Miss Annie Houston of Ired Deer, spent a week at the home of Mr and Mrs F. Cramer.

Miss Martha Hartell and Miss Joyce Shipley spent Saturday evening at the home of Mr and Mrs W. H. Hartell.

CARSELAND

Your correspondent regrets a stenographic error in reporting Mrs. Brander's recital last week. The names of Ellen Standley as one of the advanced pupils, and Doris Standley, as one of the assisting artists were omitted.

Saturday the Carseland Ladies Aid held a tea in the United Church in aid of the Wood's Home. The sum of \$7.00 was realized and a quantity of foodstuff contributed.

CHRISTIAN SCIENCE

At an Christian Science Church next Sunday, the subject of the Lesson-Sermon will be "Adam and Fallen Man." The following is one of the Scriptural quotations contained in the Lesson-Sermon: "Jesus answered, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the Kingdom of God" (John 3:5). One of the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is as follows (page 49): "The real man is spiritual and immortal, but the mortal and imperfect so-called 'children of men' are counterfeits from the beginning, to be laid aside for the pure reality. This mortal is put off, and the new man or real man is put on. In proportion as mortals realize the Science of man and seek the true model."

NEW FUEL OIL TAX EFFECTIVE MAY 1st

Our new fuel oil tax is passed at the recent session of the legislature, providing for broadening of the scope of the seven cents per gallon levy to include fuels, is to be effective May 1st under the terms of a proclamation passed by the cabinet and published in the Alberta Gazette.

The Act contains provisions for refunds to users of fuel oil for agricultural purposes but does not specify conditions of refunds or the amounts, formerly five cents per gallon. It is expected that an order in council will be passed before the act is effective to cover this section.

Something is praying on my mind. Don't worry, it'll die of starvation.

MOTHERS AND MOTHERS' DAY

It has been said the hand that rocks the cradle, rules the world. We are today very skeptical of the truth of this statement. A Mussolini or a Hitler steps in, takes command of the young life of his country, and all a Mothers prayers, precept and example are overruled in a life that develops hatred of his fellow man, cruelty that dissipates all the finer instincts, and destroys the spirit and aim of living a helpful and purposeful life.

Statesmen have done much in averting wars that would have undoubtedly buried the world into wide spread warfare. We believe it is the work of Mothers the world over to so energetically work to the purpose of influencing public opinion of high and low estate, against the folly, cruelty and barbarity of war that they mitigate their influence with that of the humanity inclined Statesmen shall make wars to cease.

This is a big task for Mothers and while engaged in that, her role of comforter, confidante, counselor and companion will be all the more strongly developed.

Some one like you makes the heart seem the lighter,
Some one like you makes the day's work worth while,
Some one like you makes the sun shine the brighter,
Some one like you makes a sigh, half a smile.
Life's an odd pattern of briars and roses,
Clouds sometimes darken nor sun shining through.
Then the clouds lift and the sunlight discloses,
Near to me, dear to me—Some one like you.

ETHIOPIA HAS FALLEN PREY TO THE CONQUERING FORCES OF MUSSOLINI

When we think of this situation of Haile Selassie and all—"thoughts which die too deep and too confused for words," arise.

THE DUNNING BUDGET IS LAUGHED BY BRITISH NEWSPAPERS

By Thomas T. Champion
London—Under the caption "Canada's Lead," the Star says that "not for the first time a Dominion disposes the doctrines preached in its name in the Mother Country."

"Canada has found that tariffs have not persuaded or bludgeoned other countries into buying as many Canadian goods as Canada wishes to sell abroad," the paper adds. "The Dominion, hearing wisdom, made sweeping reductions in 104 tariff items. We urge a cordial and immediate response by the British government to these signs of trade sense from across the Atlantic."

Welcome Feature

The Observer says the welcome feature of the Canadian budget is "the long list of tariff concessions, many of which operate solely in favor of Britain."

The Weekly Review says the reductions are representative of the "new attitude of Ottawa towards the Anglo-Canadian trade treaty and are bound to help British exports directly, while in the long run increase Canadian exports to this country."

"Prime Minister Bennett," the paper adds, "undoubtedly meant well when he imposed the restrictions a few years ago, but time has failed to justify his tariff policy and Prime Minister Mackenzie King wisely has taken the first opportunity of modifying it."

FRANCE

France has elected a Radical-Socialist government, with Leon Blum as probable leader.

The man in the street takes the situation calmly. The heavy swing to the Left is regarded not as approval of Bolshevik revolutions, but as a protest against the continued crisis of unemployment and the drift towards war. Hard times have borne heavily on civil servants, artisans and small traders who normally constitute the moderate element in French politics. Sunday they swing to the extreme left, but in protest, it is commented, rather than from conviction.

Sixty-two parts of the colorless, odorless and tasteless gas, carbon monoxide, in 10,000 parts of air is enough to cause unconsciousness in a half an hour and death in an hour and a half.

DUCE EXTENDS

FRIENDSHIP TO BRITAIN

London, May 6th—Premier Mus-
solini in an interview with Ward
Price, special correspondent of the
London Daily Mail, renounced "any
further colonial ambition." Tuesday
in extending the hand of friendship to
Great Britain.

It Duce said he believed the League
of Nations "can and must go on"
but "it has become a matter of com-
mon agreement that the League needs
reorganizing."

Denies Harm To Britain
Believe me, this victory in East
Africa puts Italy into the group of
satisfied powers, Duce was quoted
as saying.

In Colonial questions we Italians
henceforth shall belong no more to
the dissatisfied proletariat. We
shall become sound conservatives in-
stead, he added with a smile.

The dictator denied he ever had
planned to harm British interests
anywhere.

Now that you have won the war
how will you make peace? asked Price.
Duce answered:

The terms of peace must be mark-
ed with the Roman spirit. It cannot
be a bare peace, for we mean for
this Ethiopian people to be settled
once and for all.

We shall not shut the doors
against the economic enterprise of
friendly nations. As for our financial
resources the world would be as sur-
prised to know the truth about our
real financial strength as it was sur-
prised to know the truth about our
military strength.

TO KEEP CHEESE

Wrap cheese to be kept in paraf-
line paper. Then in an outer paper
put elastic around this to keep wrap-
ping close to cut surface.
